GENERAL INFORMATION:

Your new Deep Seating Chair is made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your Deep Seating Chair clean by using warm soapy water and an outdoor furniture wax. If you use furniture covers, always make sure the Deep Seating Chair is clean and completely dry before covering as mold may form in dark, wet places. Check the bolts on your Deep Seating Chair regularly to make sure they are tight.

To provide a rust free product this Deep Seating Chair is made of Cast Aluminum which is a relatively soft material. Be careful not to over tighten your hardware. Stripped hardware is not covered under the manufacturer's warranty. The weight limit for this Deep Seating Chair is 225 lbs.

SAFETY INFORMATION:***WARNING***

DO NOT stand or allow children to stand on the assembled product.

DO NOT tighten bolts completely until instructed to do so. After final alignment, make sure all nuts and bolts are securely fastened.

NEVER use a power tool to assemble or tighten your furniture. Perform periodic checks to make sure the hardware is secure and tighten if needed.
